

helping people manage and survive cancer

August 17, 2001

Mr. Konstantin Henschen
Bike4Life
1027 19th Street West
North Vancouver, Canada V7P2A1

Dear Konstantin:

Thank you for your interest in raising funds for the Lance Armstrong Foundation. We appreciate your willingness to support our organization through your Bike4Life program.

The mission of the Lance Armstrong Foundation is to help people manage and survive cancer. The Foundation is dedicated to the fight against cancer in four distinct areas: medical and scientific research, public education and awareness, groundbreaking survivorship programs and support to survivors of all forms of cancer.

Thank you for joining the Lance Armstrong Foundation in the fight against cancer.

Sincerely,

A handwritten signature in cursive script that reads "Megan".

Megan K. Helmbrecht
Director of Development
